Refit in 2017

- Interior furniture upgrades
- New carpets
- Interior upgrades

Naval architecture Andrea Bacigalupo

Interior design Jim Collins

Gross Tonnage 429 tones

#### **BROKERS COMMENTS:**

A modern, high-performance, all-aluminium superyacht designed by Andrea Bacigalupo and built to MCA compliance by **Cantieri di Fiumicino** in 2003. One of the yard's **Alfamarine** series, she has a warm and inviting interior featuring richly coloured fabrics and soft wood finishes. Accommodation is for as many as 16 guests in eight cabins including a full-beam master cabin on the main deck. There are also three double staterooms along with two twins, a triple and a single, all with state-of-the-art audio-visual systems and all with en-suite bathrooms. Very generous outdoor deck areas. Twin 2.755hp MTU engines give her a cruising speed of 13 knots. Offered ready for her new owner. Price not negotiable

#### **LYING:**

Philippines

## Layout Plans

The particulars presented in this brochure are based on information provided by the sellers and are believed to be correct, although we cannot be liable for any inaccuracy. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor and / or have an engine trial conducted which if conducted by us shall not imply any liability on our part.
