ANMERKUNGEN DES MAKLERS:

Originally built for Dr. Antoine Cloetta from Switzerland, Aiglon then belonged to Johannes, 11th Prince of Thurn and Taxis in the eighties.

Her present owner bought her in 1994 and invested over 3 million Euros in a total refit adding up a raised pilothouse and a flybridge, an elegant bowsprit, new Caterpillar engines and much more. *L'Aiglon* means *the Eaglet* in French, and was also the nickname of Napoleon's son, François Charles Joseph Bonaparte.

Aiglon's impressive timeless interiors create an elegant atmosphere giving you feeling of a bygone era full of charm.

This sleek and graceful, yet strong and powerful 45m **Abeking & Rasmussen aluminium custom schooner** will take you anywhere.
