WARTUNGSGESCHICHTE UND BAUWEISE:

Steel with aluminium superstructure

Refit 1974

ANMERKUNGEN DES MAKLERS:

**** **MOTIVATED SELLERS** ****

LA FENICE (ex-DIADEM OF DEWLISH) 158 GT 30M TSDMY was built in 1962 by Richard Iron Works

s Ltd. together with naval architect **Laurent Giles** as a support vessel for SOVEREIGN - the British contender for the America's Cup in 1964. She had a complete interior rebuild in 2008 by superyacht designer **Christian Liaigre** and his French master craftsmen (73M CLOUDBREAK, 67M VERTIGO, 60M SEAHAWK, 56M ROSEHEARTY).

Her top speed is 12 knots and she boasts a maximum cruising range of 3,000 nm at 10 knots with power coming from two 230hp **Gardner** 8L3B diesel engines.

Now under the same artist owner since 2004 she is unmistakably recognisable from far. Her robust and strong personality on the outside, and her sober and exquisite interior with cosy entertaining areas can easily make you fall under her charm - boasting a 4-cabin layout which accommodates up to 9 guests, including two childrens' bunks, plus high-quality 3 crew cabins for 6.

This go-anywhere pocket explorer with transatlantic range (45 litres per hour at 10 knots) and a sea-kindly ride will make every trip unforgettable.

Dolphin Yachts are the exclusive central agents for the sale of LA FENICE.
