**COMMENTAIRE DU COURTIER:**

A beautiful, high-performance, all-aluminium superyacht designed by Andrea Bacigalupo and built to MCA compliance by **Cantieri di Fiumicino** in 2003. One of the yard's **Alfamarine** series, she has a warm and inviting interior featuring richly coloured fabrics and soft wood finishes. Accommodation is for as many as 16 guests in eight cabins including a full-beam master cabin on the main deck. There are also three double staterooms along with two twins, a triple and a single, all with state-of-the-art audio-visual systems and all with en-suite bathrooms. Very generous outdoor deck areas, extensive list of toys and much more. Twin 2.755hp MTU engines give her a cruising speed of 13 knots and she is fitted with rotary swing stabilizers. Offered in turn-key condition and ready for her new owner. Price not negotiable
