Seafire FM-200 automatic fire extinguisher in engine room  
Viking 6-person liferaft

**BROKERS COMMENTS:**

This well USA built innovative **Tiara 4400 Sovran** is CE marked and has only had one owner from new. Her cockpit includes an extremely functional integral hardtop and is very flexible given the hydraulic table which rises from the deck with the flip of a button. The helm deck seating offers an electrically adjustable double helm seat and companion lounge with table and wet bar. Below decks, the 4400 features plush leather seating, full reverse cycle air con, Corian countertops and built-in flat screen TVs. The lounge includes a folding bird's eye maple/teak table which converts to a berth, increasing sleeping accommodation to six. The master cabin boasts a queen-size pedestal bed and the guest cabin not only comes with two overlapping bunk style beds, but also with a washer/dryer combination and its own access to the bathroom. All this, together with only 260 engine hours, makes her a great opportunity!

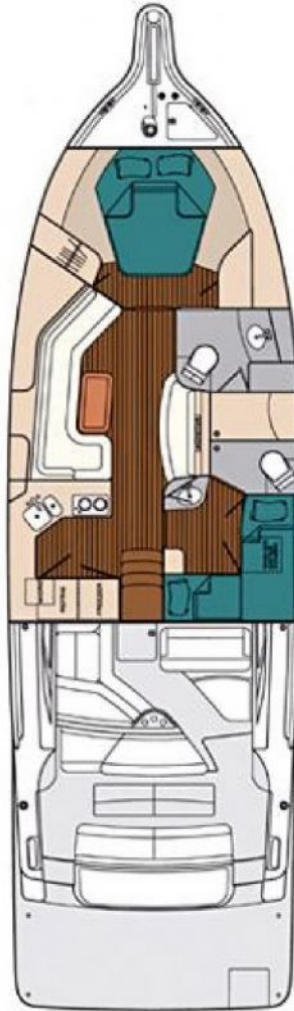

**LYING:**

Spain
