**BROKERS COMMENTS:**

Originally built by Cleland's in 1960 the classic gentleman's yacht underwent a major refit in 2005 with new engines, generator and interior. She offers accommodation for 8 guests in 1 master, 1 VIP and 2 twin cabins. Her boat deck features a modern covered bar area, as well as an al fresco dining table.

Together with fin stabilizers and compliant with ABS class requirements for the construction, she would be the perfect vessel to explore remote places anywhere on the planet. Spanish Matriculation tax paid.
