Two water tanks, total 270-gals, 1000 L

Two GRP holding tanks, total capacity 25-gals, 94 L

COMENTARIO DEL AGENTE:

Bill Dixon has designed a very functional and modern deck for this highly customized Taswell 60 from the legendary Tashing Shipyard, each step has been studied down to the smallest detail to obtain maximum functionality, comfort and safety.

Great attention has been placed on updating and renewing this wonderful yacht to ensure she would make a "turnkey" long distance blue water cruiser for her next navigation.

Significant updates were made in 2022/2023, easily managed by a couple with her cutter rig and in-mast furling main sail.

LUGAR:

Italy
