**COMMENTAIRE DU COURTIER:**

This award winning Beneteau Swift Trawler 35 (2019 model) was bought new from the dealer as a demonstration boat by her current owner in 2020 and is in perfect condition, winterized in a shed every year and only 250 hours on her single Cummins 420hp shaft engine. Her strong harmonious lines make you feel reassuringly safe, and the semi displacement hull developed through the expertise of Beneteau Power gives you better cruising stability. She is also kitted out with both bow and stern thrusters offering super easy maneuvering - consumption at 5 knots of only 5l an hour! Sleeps four plus two more in her convertible salon.

**EMPLACEMENT:**

Germany
