Lithium System Pack 30 kw batteries and 12KW inverter 3D Forward Looking Sonar FLS 3D

Panel Solar Monocristalino 130W/22 1V Cel. Sunpower Semi flexible

Watermaker 230V 240L/H

Isolation, Water pump isolation

## DISTRIBUCIÓN:

Berths: 8

Cabins: 4

Head: 4

Crew Berths: 2

Crew Cabins: 2

This flagship of the fleet offers 126 m<sup>2</sup> of usable space, a fully equipped L-shaped kitchen, the famous "BALI door," and extremely large windows. More than ever, emphasis is placed on the OpenSpace concept. The 5.4 accommodate 4 double cabins and 4 exceptionally spacious and comfortable bathrooms.

With extraordinary natural light, the wide opening windows ensure exceptional natural ventilation and a fantastic panoramic view. The large fully retractable window in front of the galley gives communication with the forward cockpit. A totally open space with panoramic sea views!

## SEGURIDAD:

Central alarm AJAX HUB2

Smoke detector

Flood detector

Safety equipment for 12 with Life-raft (without EPIRB)

## COMENTARIO DEL AGENTE:

The Bali Catana 54.1 is an exceptional 54-foot catamaran and is the flagship of the Bali Catamarans range. Thanks to innovations and technologies from Catana group, this boat features cleverly designed spaces allowing everyone on board to enjoy the various different areas, either with family, friends or in complete privacy. Conceived by Olivier Poncin and designed by Agence Berco design + Piaton, the BALI 5.4 stands out for its volume, design, totally open living spaces and onboard technology for outstanding comfort. She has been maintained to the highest standard by her permanent Captain. Having only been used privately she is undoubtedly the best on the market. Under warranty until June 2025. Visting is possible at any time however the owner has made cruising plans until the end of September 2025 hence

closing can only take place after then.

LUGAR:  
Carribbean
